Chapter 130.10: Camping and Other Activity Prohibited on Public Property.

a. The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this subsection, except where the context clearly indicates a different meaning:
    a. "Camp" or "camping" means the use of town property for living accommodation purposes such as sleeping, making preparations to sleep (including the laying down of bedding for the purpose of sleeping), or storing personal belongings, or placing any tent or other temporary shelter, on town property for living accommodation purposes.
    b. "Temporary shelter" means tents, tarps, motor vehicles, or any type of structure or cover, which, whether or not readily moveable, is placed or erected in a fixed location, and which provides shelter from the elements.
b. It shall be unlawful for anyone to camp on any public property owned by the town including but not limited to public rights-of-way and sidewalks.
c. Camping as defined in this section is deemed a public nuisance and the town may summarily remove a temporary shelter, bedding, or personal belongings.
d. It shall be unlawful to light or use a campfire, camp stove, grill, other cooking device, or bonfire on public property, except as may be specifically authorized by a permit or by posted signage.
e. Civil Penalties:
    a. Violations of any of the provisions of this section will result in the following civil penalties:
        i. First offense in any twelve-month period - $100.00
        ii. Second offense in any twelve month period - $500.00
        iii. Third and each further offense in any twelve month period –$1000.00
    b. The Town Manager or the Manager's designee may issue a notice of violation assessing civil penalties. The notice shall be issued in writing and shall set forth with reasonable specificity the basis for the civil penalty. The notice of violation shall be served by registered or certified mail, or by personal service. When service is made by registered or certified mail, a copy of the notice may also be sent by first class mail. Service shall be deemed sufficient if the first class mail is not returned by the Post Office within ten (10) business days after the mailing. Refusal to accept the notice shall not relieve the violator of the obligation to pay the penalty.
    c. The notice of violation shall contain a time period which the violation must be corrected. From and after the date specified in the notice, each subsequent day that the violation continues shall constitute a separate and distinct offense subject to additional civil penalties.
    d. If any person fails to pay any civil penalty within thirty (30) days after the decision becomes final, the town may recover the penalty, together with all costs allowed by law, by filing a civil action in the General Court of Justice in the nature of a suit to collect a debt.

f. Administrative fee:
    a. Any person who violates this article shall pay an administrative fee of one hundred dollars ($100.00) per violation in addition to civil penalty.
g. Other Remedies:
    a. In addition to civil penalties, a violation of this division is a misdemeanor and may be prosecuted as such. A violation of this division may also be enforced through injunctive or other equitable relief, or by a combination of remedies.
